WAR (ETCETERA) PROTECTION AND INDEMNITY CLAUSE

R.J.M.1.1.77

Subject to the terms and conditions set out below, this insurance is to cover up to the value declared for the insured vessel, plus costs in proportion, any claims for Protection or Indemnity as would be paid under the entry of the insured vessel with any Insurer scheduled hereunder but for the existence of a "F. C. & S" or other War Exclusion Clause in the cover provided by the Insurer.

Should the Club Entry or Insurance for Protection and Indemnity Risks of the vessel omit or exclude any one of the protections granted by the Entry against all Protection and Indemnity Risks with the Britannia Steam-Ship Insurance Association Limited, then for the purposes of this insurance such omitted or excluded protection shall be deemed included therein. In the event of there being no insurance or Club Entry against such perils, it is agreed that for the purposes of this insurance the vessel shall be deemed entered for all Protection and Indemnity Risks with the Britannia Steam-Ship Insurance Association Limited.

All claims covered under this insurance shall be paid in full to the limit schedule, without deduction or franchise even though such claims might appear to be subject to limit, deduction, or franchise by reason of the terms of the Insurance or Club Entry for Protection and Indemnity Risks.

Exclusion: unless endorsement is made hereon to the contrary, and such additional premium required by underwriters be paid, this insurance shall exclude any liability in respect of death, injury or damage to crew.

Automatic Termination and Cancellation Clause: this insurance is subject to the Automatic Termination and Cancellation Clause named in the Schedule.
