NUCLEAR,CHEMICAL, BIOLOGICAL TERRORISM EXCLUSION

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto it is agreed that this insurance excludes any losses directly or indirectly arising out of, contributed to or caused by, or resulting from or in connection with any act of nuclear, chemical, biological terrorism (as defined below) regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purposes of this endorsement:

"Nuclear, chemical, biological terrorism" shall mean the use of any nuclear weapon or device or the emission, discharge, dispersal, release or escape of any solid, liquid or gaseous Chemical agent and/or Biological agent during the period of this insurance by any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious or ideological purposes or reasons including the intention to influence any government and/or to put the public, or any section of the public, in fear.

"Chemical" agent shall mean any compound which, when suitably disseminated, produces incapacitating, damaging or lethal effects on people, animals, plants or material property.

"Biological" agent shall mean any pathogenic (disease producing) micro-organism(s) and/or biologically produced toxin(s) (including genetically modified organisms and chemically synthesised toxins) which cause illness and/or death in humans, animals or plants.

If the Underwriters allege that by reason of this exclusion any loss is not covered by this insurance the burden of proving the contrary shall be upon the Insured.

All other terms and conditions remain unchanged.
