It is expressly agreed that this insurance does not cover any loss, damage, liability, cost or expense arising from destructive testing and or the firing of live ammunition. Notwithstanding the above, this insurance shall not be prejudiced by reason of ammunition being on board the Insured vessels or other vessels whilst in charge of the Insured and / or whilst being repaired by them and / or upon which they are engaged in work and / or in the premises or shops of, or occupied by the Insured.

It is agreed that this insurance includes firing trials with 'blanks'
