## PART 4 CONDITIONS, LIMITATIONS AND EXCLUSIONS CONDITIONS

### 46 Policy Subject to the Marine Insurance Act

46.1 This policy, and all contracts of Insurance made by the Insurer, will be subject to and incorporate the provisions of the Marine Insurance Act 1906 of the United Kingdom, as amended by the Insurance Act 2015, and any statutory modifications thereof, except insofar as such Acts or modifications may have been excluded by this policy, or by any term of such contracts.

46.2 Upon its entry into force on 12th August 2016, the following provisions of the Insurance Act 2015 are excluded from this policy and the contracts of Insurance as follows:

46.2.1 Section 8(2) and Schedule 1 of the Insurance Act 2015 are excluded entirely. As a result, any breach of the duty of fair presentation shall entitle the Insurer to avoid this policy or the contract of Insurance and

refuse all claims if the Insurer, but for the breach, would not have entered into this policy or the contract of Insurance at all or would have done so on different terms. If the breach of the duty of fair presentation is deliberate or reckless, the Insurer does not need to return any Premium already paid. If the breach of the duty of fair presentation is not deliberate or reckless, the Insurer will return any Premium already paid. 46.2.2 Section 10 of the Insurance Act 2015 is excluded entirely and shall not apply to any warranty within this policy or contract of Insurance. As a result, all warranties in this policy or the contract of Insurance must be strictly complied with and if the Insured or any party afforded the benefit of cover by the Insurer fails to comply with any warranty, the Insurer shall be discharged from liability from the date of the breach, regardless of whether the breach is subsequently remedied.

46.2.3 Section 11 of the Insurance Act 2015 is excluded and shall not apply to any term in this policy or contract of Insurance between the Insurer and the Insured or any party afforded the benefit of cover by the Insurer. If the policy or contract of Insurance includes a term which, if complied with, would tend to reduce the risk of loss of a particular kind, or at a particular location or particular time, then this must be strictly complied with. If it is not complied with, the Insurer's liability may be excluded, limited or discharged in accordance with this policy or the contract of Insurance, even if the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

46.2.4 Section 13 of the Insurance Act 2015 is excluded. As a result, where this policy or a contract of Insurance is entered into between the Insurer and the Insured and provides cover for any other party who is not a party to the contract, and where a fraudulent claim is made by or on behalf of any party afforded the benefit of cover by such policy or contract of Insurance, the Insurer shall be entitled to exercise its right to terminate the contract of Insurance in respect of the Insured and any party afforded the benefit of cover by the Insurer and retain any Premium paid under this policy or the contract of Insurance.

46.2.5 Section 13A of the Insurance Act 2015, as introduced by the Enterprise Act 2016, is excluded and shall not apply to this policy or contract of Insurance.

As a result, the Insurer shall not be in breach of the duty to pay claims in a reasonable time, where such breach is neither deliberate nor reckless. Where the Insurer fails to pay the claim in a reasonable time, but such failure is neither deliberate nor reckless, the Insured shall not be entitled to any remedy.

46.2.6 Section 14 of the Insurance Act 2015 is excluded. As a result, this policy or the contract of Insurance between the Insurer, the Insured and any party afforded the benefit of cover by the Insurer shall be

deemed to be a contract of the utmost good faith, and any breach of the duty of the utmost good faith shall entitle the Insurer to avoid this policy or contract of Insurance.

### 47 Payment First by the Insured

It is a condition of the Insured's right to recover under this policy in respect of any liabilities, costs or expenses, that it will first have discharged or paid the same out of funds belonging to the Insured unconditionally and not by way of loan or otherwise.

### Exclusions and limitations

47.1 Where the Insured has failed to discharge or pay a legal liability to pay damages or compensation for the illness or death of, or injury to, a Member of the Crew, the Insurer may discharge or pay such liability on the Insured's behalf directly to such Member of the Crew or dependent, providing that:

47.1.1 the Member of the Crew or dependent has no enforceable right of recovery from any other party and otherwise would be uncompensated and

47.1.2 subject to the provisions of Clause 47.1.3 below, the Insurer will in no circumstances be liable for any sum in excess of the amount which the Insured would have been able to recover from the Insurer under this policy and

47.1.3 where the Insurer is under no liability in respect of the claim by virtue of Clause 85 (Cancellation of Insurance), the Insurer will nevertheless discharge or pay the claim to the extent that it arises from an event occurring prior to cancellation of the Insurance, but only as agent of the Insured and the Insured will reimburse the Insurer in full.

47.2 Where the Insured has failed to discharge or pay a legal liability in respect of unpaid wages or repatriation under any statutory enactment or domestic legislation giving effect or equivalent to the 2006 Maritime Labour Convention, the Insurer will discharge or pay such liability on the Insured's behalf directly

### 48 No Liability until the Premium is Paid

Without prejudice to anything elsewhere contained in this policy, it will be a condition of the Insured's right of recovery in respect of any liabilities, costs or expenses that all Premium and other amounts whatsoever as may have become due from the Insured to the Insurer will have been paid in full, without any set-off or discount.

### 49 Set Off

Without prejudice to anything elsewhere contained in this policy, the Insurer will be entitled to set off any amount due from the Insured against any amount due to such Insured from the Insurer.

### 50 Settlement of Claims

Payment of a claim by the Insurer to the Insured's broker, manager or to any other agent of the Insured will fully discharge the Insurer's liability to the Insured.

### 51 Delegation

Whenever any power, duty or discretion is conferred or imposed upon the Insurer by virtue of the terms and conditions of this policy, such power, duty or discretion may, subject to any terms, conditions or restrictions contained in this policy, be exercised by the Insurer or any agent of the Insurer to whom such power, duty or discretion will have been delegated.

52.8 when required by the Insurer, it is a condition to the Insured's right of recovery from the Insurer that the insured will first have provided to the Insurer:

52.8.1 written proof that the Insured Ship's class has been maintained;

52.8.2 a list of recommendations, requirements or restrictions specified by any classification society; and

52.10 The Insurer may in its discretion waive compliance with the conditions set out in Clause 52.1, Clause 52.2, Clause 52.6, Clause 52.7 and Clause 52.8 for such periods and upon such terms as it thinks fit.

52.11 Where the Insured is insured under this policy as a charterer (other than as a bareboat or demise charterer), the rights of recovery of such charterer will not be dependent on the fulfilment of the conditions set out in Clause 52.2 to Clause 52.8 inclusive.

### 53 Right to Information

The Insured hereby authorises the Insurer to approach the Insured Ship's classification society direct for any information relating to the Insured Ship's maintenance of class, and the Insured hereby warrants that, upon request from the Insurer, it will immediately provide the relevant classification society with the necessary authorisation to release and make such information available to the Insurer.

53.1 Where the Insured fails to provide or refuses to provide such necessary authorisation, the Insurer may at any time:

53.1.1 agree to continue to insure the Insured Ship only after amending and varying this policy and by imposing special terms, with immediate effect, in such manner as the Insurer thinks fit, including the exclusion of all or part of the risks specified in Part 2 (What is Insured) of this policy, for such time or period as the Insurer may specify; or

53.1.2 agree to insure the Insured Ship on such special terms as the Insurer may in its discretion decide; or

53.1.3 terminate Insurance for the Insured Ship forthwith.

### 54 Survey or Inspection of Ships

As a condition of cover under this policy, the Insurer may at any time require the Insured to submit the Insured Ship to survey or inspection by a surveyor appointed by the Insurer. The Insurer will require the Insured to bear the expense of such survey or inspection.

Immediately on receiving a request for survey or inspection, the Insured will:

54.1 afford all facilities as may be required for such survey or inspection; and

54.2 waive any rights or claims against the Insurer of whatsoever nature arising in respect of or relating to the content of or opinions expressed in any survey or inspection so produced.

### 55 Survey of Ships after Lay-up

55.1 If the Insured Ship has been laid-up for a period of six months or more, whether the ship has been insured under this policy for all or part of the period of lay-up and whether or not laid-up returns have been claimed or paid in accordance with Clause 76 (Laid-up Returns), the Insured will give the Insurer notice that the Insured Ship is to be re-commissioned not less than 7 days before the Insured Ship leaves the place of lay-up.

55.2 Upon receipt of such notice, the Insurer, in its complete discretion, may appoint a surveyor or such other Person as it may think fit to survey or inspect the Insured Ship on behalf of the Insurer and the Insured will afford such facilities as may be required for such survey or inspection.

55.3 The Insured will comply with any and all recommendations as the Insurer may make following such survey or inspection.

### 56 Rights of the Insurer Following a Survey or Inspection

### 57 Survey or Inspection of the Cargo

The Insurer may, from time to time, and as a condition of cover under this policy, require that certain types of Cargo intended to be carried on an Insured Ship be surveyed prior to loading. Following notification by the Insurer, the Insured will be obliged to give the Insurer sufficient notice of the intended carriage of such Cargo so that a surveyor can be appointed by the Insurer at the relevant port(s) of loading.

### 58 Obligation of the Insured to Maintain the Insured Ship

Notwithstanding the provisions of Clause 52 (Classification and Condition of Insured Ships), Clause 53 (Right to Information), Clause 54 (Survey or Inspection of Ships), Clause 55 (Survey of Ships after Lay-up) and Clause 56 (Rights of the Insurer following a Survey or Inspection), the Insured will be under an obligation to keep the Insured Ship in a proper condition at all times. Any recommendations or observations of a surveyor acting under any part of any one of the said Clauses will be treated as within the actual knowledge of the Insured.

### 59 Electronic Communication

The Insurer's logs and records of any electronic communication sent or received by the Insurer will, in the absence of manifest error, be conclusive evidence of such communication and of its despatch or receipt.

### Limitations

#### 60 Limitation of the Insurer's Liability

##### 60.1 General

Subject to the terms and conditions of this policy and to any special terms and conditions set out in the relevant Certificate of Insurance, the Insurer covers the liability of the Insured in respect of the Insured Ship as this liability may ultimately be determined and fixed by law, including any laws pertaining to limitation of liability. In no circumstances will the Insurer be liable for any sum in excess of such legal liability.

##### 60.2 Persons other than Ship Owners

Unless otherwise agreed with the Insurer in writing, where cover is provided to a charterer, such cover will be limited to the lesser of, either:

60.2.1 such liability and amount as would have been established under the applicable law had such charterer been the registered owner of the Insured Ship, or

60.2.2 such sum or sums as the Insurer has agreed with the Insured in writing in respect of any one event.

##### 60.3 Oil Pollution

The limit of the Insurer's liability for any and all claims in respect of oil pollution will apply in respect of the Insured Ship, each event, and will apply irrespective of whether the event involves the escape or discharge or threatened escape or discharge of oil from one, or more than one ship and to all claims in respect of oil pollution brought by the Insured or Joint Insureds of the Insured Ship, whether under one Clause or more than one Clause found in Part 2 (What is insured) of this policy.

If the aggregate of such claims exceeds such limit, the liability of the Insurer for each claim will be limited to such proportion of such limit as each claim bears to the aggregate of all such claims.

60.3.1 For the purpose of this Clause 60.3 and without prejudice to anything elsewhere contained in this policy, a 'claim in respect of oil pollution' will mean a liability, cost, loss or expense, howsoever incurred, in respect of or relating to an escape or discharge of oil or any threat or consequence of such escape or discharge, but excluding liability for loss of or damage to such oil.

##### 60.4 Defence Cover

Without prejudice to the discretionary nature of the cover as described in Clause 29 (Risks Covered) of Section E (Defence Cover), the Insurer's liability for claims arising under Section E will in any event be limited, in the aggregate, in respect of any one claim, dispute or proceedings, to such sum or sums as the Insurer has agreed with the Insured in writing.

61.3 the Insured will further indemnify the Insurer to the extent that the Insurer is required to make any payment under any such guarantee, undertaking or certificate in discharge of any liability that is otherwise excluded or limited under this policy and the relevant Certificate of Insurance; and

75.2 The Insured will be bound to pay and will pay to the Insurer such sum or sums by way of Premium as will have been agreed with the Insurer, in such instalments and at such time or times as the Insurer will have specified.

75.3 The Insurer may require the Insured to pay all or any part of any Premium payable by the Insured in such currencies as the Insurer may specify.

75.4 It is a condition precedent to any liability of the Insurer to indemnify the Insured under this policy that the Insured will have paid any Premium due on or before the date of the matter, Casualty, incident, claim, dispute or event giving rise to a potential claim by the Insured under this policy.

75.5 The Insurer will be entitled to interest at a rate of 2% over the LIBOR rate for any Premium, or part of the Premium, which is due or unpaid.

75.6 The Insurer will have a lien or other right of action against the Insured Ship in respect of any sum of whatsoever nature, including Premium, owed by the Insured to the Insurer, notwithstanding that the Insurance of the Insured or in respect of any Insured Ship may have ceased or been terminated or cancelled.

75.7 All sums and Premium from time to time payable by the Insured may be recovered by action commenced under the instructions of the Insurer in the name of the Insurer.

75.8 No claim of any kind whatsoever by the Insured against the Insurer will constitute any set-off against

Premium or other sums of whatsoever nature due to the Insurer or will entitle the Insured to withhold or delay payment of any such sum.

75.9 The Insured will pay on demand to the Insurer, or its order, the amount of any Premium tax or other tax levied on or in connection with the Insurance or reinsurance provided by the Insurer to the Insured which the Insurer determines it, or the Insured, may become liable to pay, and will indemnify the Insurer and hold it harmless in respect of any loss, damage, liability, cost or expense which the Insurer may incur in respect of such Premium tax or other similar tax.

75.10 The policy will operate on the basis of cancelling returns only ('CRO terms') pursuant to the balance of this Clause 75 unless Laid-Up Returns ('LUR terms') are specifically agreed in writing by the Insurer, in which case, Clause 76 will also apply and supplement this Clause 75.

If the Insurance of a ship ceases, is terminated or cancelled under the provisions of Clause 84 (Termination of Insurance) the Insurer will give the Insured credit for Premium paid or due from the date of such termination or cancellation to the end of the Period of Insurance on a pro-rata basis, except that:

75.10.1 there will be no such credit given if the Insured Ship becomes a total loss (defined for this purpose as any of the events set out at Clause 84.3. of the policy), where the Insured will be liable for, and the Insurer entitled to recover, the full Premium due for the entire Period of Insurance.

### 76 Laid-up Returns

76.1 If the Insured Ship is laid-up in any safe port or place for a period of 30 or more consecutive days after finally mooring there (such period being computed from the day on which the Insured Ship finally moored to the day of departure, 1 day only being excluded), and the said Insured Ship is completely free of Cargo, the Insured will be allowed a return of Premium payable in respect of such Insured Ship for the said period, such return being calculated at a rate of not more than 50% on a pro rata daily basis.

76.2 If during such period the Insured Ship is also without crew, the return will be as aforesaid but at a rate of not more than 75% on a pro rata basis.

76.3 The return of Premium referred to herein will be calculated after the deduction of such liabilities and administrative expenses as the Insurer may from time to time determine.

76.4 No return of Premium will be made by the Insurer unless the Insurer receives written notification from the Insured within 3 months of the end of the period in respect of which the returns are claimed.

### Conditions

76.5 For Clause 76 to apply, the Insurer must previously have agreed LUR terms in writing.

76.6 The Insurer will in its absolute discretion determine whether the port or place is a safe port or place for the purposes of this Clause 76.

### Exclusions

76.7 There will be no return of Premium in circumstances where:

77.1 As soon as reasonably practicable after accepting any application for Insurance, the Insurer will issue to the Insured a Certificate of Insurance in such form as may from time to time be prescribed by the Insurer, but so that such Certificate of Insurance will state the Period of Insurance and the terms and conditions on which the Insured Ship has been accepted for Insurance.

77.2 If at any other time, or from time to time, the Insurer and the Insured will agree to vary the terms relating to the Insurance of the Insured Ship, the Insurer will, as soon as reasonably practical thereafter, issue to the Insured an Endorsement Slip stating the terms of such variation and the date from which such variation is to be effective.

77.3 Every Certificate of Insurance and every Endorsement Slip issued as aforesaid will be conclusive evidence and binding for all purposes as to the Period of Insurance, as to the terms and conditions on

which the Insured Ship is insured and as to the terms of any variation and the date from which such variation is to be effective, providing that:

77.3.1 in the event that any Certificate of Insurance or Endorsement Slip is lost, damaged, defaced or, in the opinion of the Insurer, contains any error or omission, the Insurer may, in its absolute discretion, issue a new Certificate of Insurance or Endorsement Slip, and the replacement will be conclusive evidence and binding as aforesaid.

### **78 Period of Insurance**

Except as otherwise provided in this policy, the Insurance will begin on the date specified in the Certificate of Insurance at either:

78.1 noon GMT; or

78.2 a different time as agreed in writing between the Insured and the Insurer; or

78.3 at such time as the Insured first has an insurable interest in the Insured Ship;  
and will continue until noon GMT on the date specified in the Certificate of Insurance.

### **79 Joint Insureds**

79.1 Where any Insured Ship is insured in the names or on behalf of more Persons than one (hereinafter referred to as Joint Insureds), they will be jointly and severally liable to pay all Premiums and other sums due to the Insurer in respect of such Insurance and the receipt by any Joint Insured of any payment by the Insurer will be deemed to be the receipt by all Joint Insureds jointly and will fully discharge the obligations of the Insurer in respect of such payment.

79.2 Each Joint Insured warrants that, in relation to the Insured Ship, it is:

79.2.1 interested in her operation, management or manning; or

79.2.3 a mortgagee; or

79.2.4 the charterer.

79.3 Failure by any Joint Insured to disclose material information within its knowledge will be deemed to have been failure by all the Joint Insureds.

79.4 The conduct of any Joint Insured which would have entitled the Insurer to decline to indemnify the claim will be deemed the conduct of all the Joint Insureds.

79.5 Where any Insured Ship is insured in the names of or on behalf of Joint Insureds, any limits on the cover provided by the Insurer and set out in the Certificate of Insurance or this policy will apply to Joint Insureds in the aggregate as if the Insured Ship had been insured by the first named Insured on the Certificate of Insurance only.

79.6 Unless the Insurer has otherwise agreed, all communication from or on behalf of the Insurer will be sent to the first named Insured on the Certificate of Insurance and such communication will be deemed to be within the knowledge of the Joint Insureds.

### 80 Co-Insured Associated Companies

80.1 The Insurer may accept the Insurance of any ship upon terms that the benefit of the cover afforded by the Insurer to the Insured in respect of that Insured Ship will be extended to Co-Insured Associated Companies of that Insured.

80.2 The liability of the Insurer to the Insured and to Co-Insured Associated Companies will be limited in amount to the reimbursement of claims relating to liabilities, costs or expenses incurred by one or more of the Co-Insured Associated Companies only to the extent and amount that the Insured:

### Limitations and Exclusions

80.4 The total liability of the Insurer to the Insured and to all Co-Insured Associated Companies to whom the benefit of that Insured's cover has been extended, in respect of any one event, will not exceed such sum as would have been recoverable from the Insurer in respect of such event, by that Insured.

82.3 Whether or not the Insurer will expressly so stipulate as a condition for giving its consent to any assignment, the Insurer will be entitled in settling any claim presented by the assignee, to deduct or retain such amount as the Insurer may then estimate to be sufficient to discharge any liabilities of the assignor to the Insurer, whether existing at the time of the assignment or having accrued or being likely to accrue thereafter.

### 83 Mortgagees

At the request of a mortgagee and with the written consent of the Insured, the Insurer may in its discretion, and subject to the provisions of Clause 82 (Assignment), agree:
