### **兆豐產物船舶保險 - Heavy Weather Warranty**

Notwithstanding anything contained in this policy or clauses attached hereto, it is warranted that the insured vessel shall not sail from the sheltered port when there is a wind, gale, storm or typhoon warning as per Beaufort Scale \_ & above at that port or when her destination or intended route maybe within the possible path of a strong breeze, gale, storm or typhoon warning as per Beaufort Scale \_ & above announced by the weather authority at port of sailing, port of destination or any intervening point or at nearest port that provides weather information. If vessel has sailed out of port prior to there being such a warning, the vessel must immediately return to the safe port or if circumstances do not permit, proceed to the nearest available safe port or anchorage.
