Loading Survey Clause (Applying to contracted purchasing only)

Including pipe line risk at both ends.

Including the risks of explosion and contamination irrespective of percentage.

Warranted that no transshipment is allowed.

Notwithstanding anything contained in the Transit Clause of The Institute Cargo Clauses to the contrary, it is understood and agreed that this insurance attaches from the time the goods have passed the coupling of the pipe of shore tank at the port of shipment and continues thereafter as stipulated in the said clause, until the goods are discharged into the consignee's or other shore tank at the port of destination named in the policy.

Requirements for survey and analysis prior to commencement of voyage

Warranted by the Assured that

- (1) the ship's (including loading coastal tanker &/or barge) tanks be cleaned, tested and approved prior to loading of the goods,
- (2) the goods shall be analyzed, gauged and weighed at port of loading (including the port of loading into coastal tanker &/or barge)
- (3) the satisfactory certificates as to above mentioned survey and analysis be given by an independent surveyor.

Requirements for survey after arrival at port of discharge

Warranted that

- (1) (our and/or Assured's) approved surveyor shall take sample of the goods at time of discharge and shall generally supervise the weighing, gauging, measuring and other operation for determination of condition of the goods either prior to or during or, at completion of discharge from the overseas vessel,
- (2) the ship's tanks be cleared out and dried up in full at completion of discharge from the overseas vessel into shore tank and
- (3) calculation of VCF TABLE for Naphtha and Crude oil at Port of loading is different. Regardless of what VCF TABLE is used, the shore tank receipt of the discharge port use fixed VCF (volume correction factor). Shore tank of crude oil is calculated on the basis of fixed Table 6A. Share tank of Naphtha is calculated on the basis of fixed Table 6B.
- (4) the satisfactory certificates as to above mentioned survey be given by (our and/or Assured's) approved surveyor.
