COVERAGE

Except as provided in the paragraph below, **Loss** (which is otherwise covered by an Insuring Agreement and not specifically excluded by the Policy or any endorsement) due to a **Cyber Act** or **Cyber Incident** will be payable subject to all of the terms, conditions, warranties, endorsements, and exclusions of this Policy. Notwithstanding the above, this Policy shall not cover any payment for **Loss** resulting from a **Claim** made against the Company/Organization, any of its subsidiaries or any other **Insured** entity, for, alleging, arising out of, based upon, attributable to, or involving in any way any **Cyber Act** or any **Cyber Incident**.

DEFINITIONS

Claim (as defined in the Policy to which this endorsement is attached)

Computer System means any computer, hardware, software, communications system, electronic device (including, but not limited to, smart phone, laptop, tablet, wearable device), server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output, data storage device, networking equipment or back up facility, owned or operated by the Company or any other party.

Cyber Act means an unauthorised, malicious or criminal act or series of related unauthorised, malicious or criminal acts, regardless of time and place, or the threat or hoax thereof involving access to, processing of, use of or operation of any **Computer System**.

Cyber Incident means:

- i) any error or omission or series of related errors or omissions involving access to, processing of, use of or operation of any **Computer System**; or
- ii) any partial or total unavailability or failure or series of related partial or total unavailability or failures to access, process, use or operate any **Computer System**.

Loss (as defined in the Policy to which this endorsement is attached)
